OUR PROGRAMS

Yavapai Humane Society (YHS) provides compassionate care to lost and homeless companion animals including dogs, cats and equine. We administer medical treatment to injured and abused animals as well as offer helpful programs and services to the pet owners of Yavapai County.

ADOPTIONS

YHS is passionate about finding forever homes for the over 3,000 animals we rescue each year. We are dedicated to matching families and pets of all ages, sizes, and breeds.

LOST & FOUND

Our Lost & Found Pet Center reunites more than 600 lost pets from across Yavapai County with their owners each year. Lost pets are checked for tags, posted on Craigslist, and scanned for microchips in an effort to find their owners.

EQUINE RESCUE

The YHS Equine Center houses, rehabilitates, cares for and place homeless equines into their new forever homes. This adoption focused program opened its doors in 2016 to help equines in need.

VETERINARY SERVICES:

SPAY/NEUTER AND WELLNESS CLINIC

In our commitment to mitigate the pet overpopulation crisis, YHS offers affordable spay/neuter and wellness services including low-cost vaccinations and microchipping. Letting us care for your pet is a great way to save money and support the animals at YHS.

OUTREACH / EDUCATION

YHS is committed to educating people of all ages about the importance of spay/neuter, the dangers of animal cruelty, and the many ways we can become a more humane community.

PET GUARDIANSHIP

In the event of your passing, the Pet Guardianship program can ensure your pet will find love again in a new forever home through Yavapai Humane Society.

ANIMAL ENRICHMENT

Animal enrichment helps maintain the physical and psychological health of the animals at the shelter to minimize unfavorable behavior while increasing adoptability. Enrichment is done through play, exercise, and training.

Yavapai Humane Society

NEW HOPE

The New Hope program partners with other animal welfare organizations statewide to make the most of our combined resources. Through this network, we can transfer animals to or from other organizations as needed to help save more lives.

SAFETY NET

This donation dependent program helps pets and their families stay together during dislocations, evictions, hospitalizations, domestic violence displacements, and other difficult circumstances. The program provides foster placement, veterinary assistance, and other services that can help prevent a pet from losing its home and family due to a temporary crisis.

F.E.L.I.X.

F.E.L.I.X. (Feral Education and Love Instead of X-termination) Program includes the Barn Cat Program and the T.N.R. Trap/Neuter/Return program. Both provide a positive solution to rodent control as well as a bright future for outdoor cats in our community.

HOW YOU CAN HELP

DONATE

You can directly impact the life of a homeless animal in many ways. We have options for lifelong supporters including enrollment in our YHS Legacy and Pet Guardianship Programs. Other giving options include one-time or monthly recurring donations, shelter wish list items, corporate sponsorship, third-party fundraisers, memorial gifts, and more.

VOLUNTEER

Our volunteers are critical to the work we do. Their willingness to get involved brings new energy and expertise to our organization and helps the public better understand how YHS can make a difference to the lives of animals and people in Yavapai County.

FOSTER CARE

Our foster program truly expands the walls of YHS. Foster volunteers care for animals in their own homes, providing animals that are underweight, underage, sick, or injured the time they need to grow or heal until they become adoptable.

SUPPORT YHS THRIFT STORE

The YHS Thrift Store is always in need of high quality new or gently used items to sell. The proceeds come directly to the animals we shelter. What a great reason to clean out your garage, closet, or just to downsize!

GIVE WITH CONFIDENCE

We promise to be good stewards of your gift. Your donation helps our shelter with its operations of animal care, including paying for vaccinations, spay/neuter surgeries, food, shelter, medical treatment, and animal enrichment. Yavapai Humane Society is a 501c3 tax exempt organization located in Prescott, AZ. Tax ID #86-0327745
